

NATIONAL AFFILIATE TRAINING PROGRAM (ATP)

Canterbury Ballet & Dance Academy is recognised as one of the top dance schools in New Zealand for its exceptional track record of placing graduates in world-class professional dance schools. With a legacy spanning over 45 years and a history of producing successful dancers, we provide expert tuition in both Ballet and Modern dance, nurturing the next generation of elite artists.

The Canterbury Ballet & Dance Academy National Affiliate Training Programme is designed for dedicated dancers who are committed to advancing their training while continuing to work with their current dance school.

Students will have the opportunity to train alongside Canterbury Ballet's Pre-Professional Trainees in our state-of-the-art studios in Christchurch, offering them a glimpse into a full-time training environment. Participants in the Affiliate Programme are also eligible to sit the ABT (American Ballet Theatre) examinations.

This programme is open to dancers from Level One to Seven and is structured in three tiers. Students can customise their training schedule, choosing the days they wish to attend during the term, from Monday to Saturday, with private lessons available throughout the week.
